# How to Use the Camera to Complete a PoodLL Assignment on iOS

This document explains how to complete a PoodLL speaking assignment on an iPad or iPhone using your device's camera.
1. Open the **Safari** browser and navigate to your course.

2. Locate and click on a PoodLL Speaking Assignment.

3. Read the task and make notes, as you will not see the instructions when you record.

4. Click the **Add submission** button.

5. The Add Submission page appears. Scroll down to locate and then click on the **Upload File** button.

6. Click the **Record or Choose** button to begin.

7. Click on the **Take Photo or Video** link.

8. Click (1) the video link, and then (2) click the round red button to start recording.
9. Click the square red button to stop recording.

10. You can click **Retake** to record again, or click **Use Video** to upload your file.

11. After you click **Use Video**, your file is uploaded, and the Add Submission page appears. You should see the words **Uploaded successfully** below the **Record or Choose** button.

12. Scroll down and click on the **Save changes** button.

    Your recording has now been submitted for feedback or grading.

13. On the Submission status page you can use the audio player to listen to your assignment, or click the **Edit submission** button to start over.
